1 FEB 2021 – Proses revisi – 3 Kali revisi

Dear authors,

I write you in regards to manuscript entitled "A Nexus between Green HRM (GHRM), Supply Chain Performance (SCP) and Business Performance (BP): The Mediating Role of Supply Chain Organizational Learning (SCOL)", which you submitted to Journal of Industrial Engineering and Management.

Thank you for your submission. We have now completed the review of your manuscript. Your paper has been accepted (editors and reviewers believe your manuscript is interesting for the academic and professional community) but some minor revisions are required. Therefore, editors believe that your manuscript should be revised taking into account the comments of the reviewers.

Once the revised manuscript is prepared, you can upload it and re-submit it (following the instructions below). The deadline to send the new version is ONE MONTH. Therefore, I invite you to respond to the reviewer(s)' comments, which you will find at the end of this message or in the on-line journal system.

When you revise your manuscript please highlight the changes you make in the manuscript by using the track changes mode in MS Word or by using bold or

colored text. In order to expedite the processing of the revised manuscript, please be as specific as possible in your response to the reviewer.

IMPORTANT: PLEASE, when resubmitting your manuscript, please carefully consider all issues mentioned in the reviewers' comments, outline every change made point by point, and provide suitable rebuttals for any comments not addressed. Remember to upload the reviewers' comments and the new version of the manuscript in the same file. The on-line journal system will allow you to upload JUST one file.

To submit the revision, log into Journal of Industrial Engineering and Management. Go to the section "USER HOME" and then to the sub-section "AUTHOR". There, you will find all your manuscripts. Select the manuscript that you want to upload. In the new web, you will find three sections (Summary, Review and Editing). Please, select the "REVIEW" section, and upload the new file at the bottom of the on-line journal system (you will see the label: "UPLOAD AUTHOR VERSION").

Please, do not hesitate to ask if you have any questions or suggestions.
