Dear Aminuddin,

You need to write the article in accordance to author guidelines (<http://www.mnje.com/en/author-guidelines>) and then send it again.

Then, we need to send it to outside reviewers. The article needs to get 3 positive reviews. The price for the reviews is €500. You pay only if you pass the reviews. We also need your statement that the work has not been published or sent to another magazine. Our magazine has Scopus Q2 category

Best regards,

Nikola Drašković Jelčić, mag.ing.comp., Technical director of Montenegrin Journal of Economics

Dear, Nikola

Thank you for your past information about the progress of our article. With this email I want to provide follow-up related to the previous information.

1. I have modify the title according to your recommendation. The new title is "The Impact of Government Spending Spillover on Regional Economic Growth".
2. I have attached a cover letter which includes a statement that this article has never been published before.
3. We are ready to pay fees for the publication of our articles in this journal in accordance with the provisions.

Thank you

Best regards,

Aminuddin Anwar

Dear Nikola,

I have edited the manuscript according to what you have recommended, which is to fill in the part that is highlighted in yellow and insert an image that was not yet entered. Then, I sent back the manuscript that I had completed. If possible, can I get a letter of acceptance for this manuscript. Tomorrow I will pay the fee for the publication of this manuscript soon.

Thank you

Aminuddin Anwar
