- Please revise using the attached file.
- All tables and figures have been numbered. Ensure that when referring to tables and figures, include the respective numbers. Do not use indicators like "Table Above" or "Table Below" because during the layouting process, tables/figures may have been moved to another location by the layouter.
- In writing mathematical equations, make sure to provide a number for each equation on the right side of the equation.
- All bibliography have been hyperlinked with their corresponding body notes. Please revise your bibliography to align with the APA style. Refer to the examples provided through this link:
